DATAMET

Wall mount enclosures for indoor electronic instruments, controls and HMI

- Very modern design in three standard sizes
- Total access to the electronics during installation and servicing
- Rear section includes holes for fitting PCBs and internal mounting plates
- Cable glands and connectors can be mounted to the underside of the rear section
- Top section fits over the rear panel and also secures the front bezel
- Die cast front bezel provides a modern look to the cases
- Front panels recessed in the bezel to protect controls
- Pre-punched wall mounting points in the rear panel
- Four M4 earth studs provided inside
- Two standard color combinations gray or black
- All fixings supplied with case
- Accessory anodized aluminum front panels
- Accessory internal mounting plate kit and PCB screw pillars.
