Electronic Enclosures

STANDARD ENCLOSURES

Elegant METCASE aluminum enclosures safeguard your electronics and showcase the high quality of your technology.

Specify our advanced standard enclosures and ask us to customize them to your exact specifications.

View our wide range of enclosures:

- 19" rack cases (1U to 6U and custom heights)
- desktop, portable, sloping-front instrument enclosures
- wall-mount and VESA-mount housings.

CUSTOMIZED ENCLOSURES

All customization work is carried out in-house. This ensures high quality and complete accountability from start to finish. It saves you time and money.

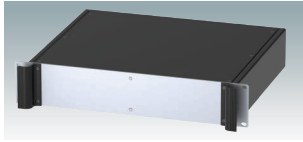

Services include bespoke sizes, custom front panels, CNC machining, fixings and inserts, painting/ finishing and digital printing.
